

### **EXECUTIVE PROTECTION / SPECIAL EVENT SECURITY**

Most Protection Specialists understand that the cornerstone of an effective Executive Protection Program and Special Event Security is the Security Assessment (AKA – The Advance). However, in many cases corporations, churches, government entities or the like do not have the time or resources to “Advance” every site their executive, VIP, witness, etc. will visit. Well this is where ARMADA can help.

ARMADA not only has nationally experienced and trained personnel that can professionally execute the Advance, but stands ready to augment your existing protection detail or provide a comprehensive protection detail to your Principal(s). From protection specialist, drivers, intelligence officers, and logistics coordinators, to communications gear, vehicles, counter-bug sweeps, portable metal detectors and K9’s, ARMADA is a comprehensive Protection Services Provider.
