

# ARMADA TRAINING ACADEMY

*Developing Leaders!*

*Building Confidence!*

*Enhancing Proficiency!*

## DYNAMIC ACTIVE THREAT RESPONSE – PISTOL LEVEL I w/Simunitions®

### **Prerequisites:**

Individuals must demonstrate general safety such as, muzzle awareness and trigger finger discipline during dry fire drills at the beginning of class before being allowed in the shoot house.

### **Course Summary:**

This course provides skills and training related to dynamic active threat response. The curriculum is geared towards individuals and law enforcement/military professionals that want to learn how to establish and implement a hasty plan to effectively respond to a variety of dynamic active threat scenarios. ARMADA's shoot house will be converted to replicate a home, store, school, office building, etc. The instructor team developed a variety of scenarios for individuals and "hasty teams" of responders to respond to and test your abilities to effectively neutralize active threats. Years of basic range training won't give you the tools and insights that this day of tactical problem solving will. We use Simunitions® fired safely from real guns for the most realistic and adrenaline charged training experience possible.

### **Course Length/ Hours:**

1 Day. Exact times are listed on the website ([www.armadausa.com](http://www.armadausa.com)).

### **Topics Covered:**

Safety	Use of Force
Malfunctions	Critical thinking/Decision making
Trigger control	Hasty planning
Individual and team tactics	Powers of observation
Shooting on the move	Cover vs. Concealment
Dynamic active threat scenario training	

### **Gear Requirements (Suggestions):**

Simunitions (weapons and ammunition) and protective equipment provided by ARMADA. Clothing appropriate for climate and conditions. It is recommended that you wear a long sleeve shirt. Water bottle or other hydration system encouraged.

### **Classroom & Range Information:**

See website for details. [www.armadausa.com](http://www.armadausa.com)

**Course Cost:** Total Cost: \$550. Tuition includes instruction, Simunitions (Firearms, Ammunition, and Protective Gear), range/vehicle access, and refreshments. It is recommended that students bring food and additional snacks. Minimum student count required.
